Dear Mr. McClardy:

This correspondence is written as a follow-up to our July 22, 2005 response to your May 20, 2005 compliance advisory update letter. Our July 22, 2005 letter advised that items 6, 8, 13, 16 and 17 would be addressed in our upcoming Policies and Procedures. We also advised you that we had contracted with Kimley-Horn to review and provide formatting and standardization for our draft Policies and Procedures, Rules and Regulations, and Minimum Standards. At that time we anticipated providing these documents to the FAA by August 29, 2005 for final review.

We have not yet received the final draft documents from Kimley-Horn, but anticipate receiving them within the next two weeks. Upon receipt, staff will review one final time and then forward to the FAA and to County Counsel for review.

If you have any questions regarding this letter please call me at (619) 956-4839.

Sincerely,

Pete Drinkwater  
Director of Airports
